

ERGO MAT

The Ergo Mat is an ergonomic design, anti-fatigue matting at its best. Moulded bubbles trap air underneath to increase the comfort level, anti-creep feet prevent the mat from moving, ramped edges and rounded corners all combine to provide you with an exceptional mat with superior comfort, safety and style.

As the Ergo Mat has a closed surface, it is easy to sweep clean and is safe when used in dry areas. Ergo Mat can also be fabricated into runners and larger sizes to meet your requirements.

FEATURES

- Relieves strain of constant standing
- Ergonomic bubble design
- Anti-creep feet on the underside
- Safety edging on all sides
- Can be fabricated into runners
- Approx. 14mm thick
